Sustainable Impact

Creating lasting, positive change for the planet, our people, and the communities where we live, work, and do business.

• Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <https://www.hp.com/in-en/shop> for a full list of product features.

- For best results with HP Sleep and Charge, use a USB charging protocol standard cable or cable adapter with an external device
- The flicker-free capability eliminates screen flickering through integrating DC-dimming LED backlights.
- Full high-definition (FHD) content is required to view FHD images.
- 25 GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at www.dropbox.com. Internet service required and not included.
- Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. The processor's numbering is not a measurement of clock speed.
- Dual fans module only available on select models.

Features

Rich Entertainment, Comfortable and Convenient, Powerful Performance

Saurabhtbj143

✓ Verified Purchaser

3 months ago

This laptop offers excellent value for its price range. It's lightweight, has a touchscreen, fingerprint reader, and a backlit keyboard. Rich Entertainment, Comfortable and Convenient, Powerful Performance, The Ryzen Integrated graphics (8GB) allow for smooth office work, personal use, and even gaming (e.g., GTA 5 on medium graphics). The speaker sound quality is good, and the battery backup is commendable. Overall, it's a well-rounded choice within its price bracket1.

✓ Yes, I recommend this product.

Soporta ssd 4gen ?

1
answer

Originally posted on HP.com Mexico

Experto HP · 11 days ago

Hola, Carlos bgcs.

El Laptop HP Pavilion 15-eh1509la, en efecto, puede emplear almacenamiento SSD en formato PCIe NVMe M.2 de 4 Generación, hasta 1 TB. Te sugerimos realizar cualquier tipo de modificación con el área de soporte técnico de HP.

Saludos.

Is the battery included? Is microsoft included?

1 answer

Originally posted on HP.com United Kingdom

HP Store · 2 months ago

Hi there!

Thanks for reaching out.

All our Laptops come with battery and charger included.

The HP Pavilion 15-eh1013na comes with 1 month trial for new Microsoft 365 customers. After this period you can purchase a licence from Microsoft.

We hope this answers your question and we wish you a great day.

Kimer · 2 months ago

1 answer

Hey I was just wondering if I got this laptop does it come with a base year warranty ?? Incase anything happens to it can they fix it ?

Originally posted on HP.com United Kingdom

HP Store · 2 months ago

Hi there!

Thanks for reaching out.

The HP Pavilion 15-eh1013na Touchscreen Laptop has a 1-year Manufacturer Warranty and includes the costs of parts and labour, but no on-site repair and no accidental damage coverage.

In case you are looking to expand this, we recommend the HP 3 Year Care Pack with Pickup and Return Service – Pavilion & VICTUS Laptops, which gives you a total of 3 years with the service level of enjoying a hassle-free pickup and return service.

The Carepack can be found here: <https://www.hp.com/gb-en/shop/product.aspx?id=U4819E&opt=&sel=CPK>

We hope this answers your question and wish you a great day.

Corporate BIG Sale

Laptops as low as ₹7292.00, cashback, laptop exchange bonus value & more!*

HP Team Grant · 2 months ago

Thank you for your question! This HP Pavilion laptop will be compatible with any PCIe® NVMe™ M.2 SSD. This laptop does not feature an expansion or 2nd SSD slot but the SSD can be upgraded. As the SSD is not easily accessible, HP recommends upgrades be performed by IT professionals or self-maintainers only.

FEATURES

[1] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

TECHNICAL DETAILS

[1] 25 GB of free Dropbox storage for 12 months from date of registration. For complete details and terms of use, including cancellation policies, visit the Dropbox website at <https://www.dropbox.com/help/space/hp-promotion>. Internet service required and not included.

[2] Free 30 day subscription of McAfee LiveSafe service included. Internet access required and not included. Subscription required after expiration.

[3] Windows MobileMark 18 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2018/> for additional details.

[5] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[7] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

[10] Battery life tested by HP using continuous FHD video playback, 1080p (1920x1080) resolution, 150 nits brightness, system audio level at 17%, player audio level at 100%, played full-screen from local storage, headphone attached, wireless on but not connected. Actual battery life will vary depending on configuration and maximum capacity will naturally decrease with time and usage.
